What we do:

Friends of Watertown Music, through the generosity of our donors, has awarded four grants totaling almost **\$21,000** to the Watertown Public Schools to increase the music teaching staff, providing for Middle School Jazz Band and elementary general music, plus nearly **\$19,000** more for teacher requests and scholarships.

Friends of Watertown Music has received six grants and outside funding to provide over **\$19,000** of new instruments throughout the K-12 program. Most recently, through their School Grant Program the Watertown Community Foundation (WCF) awarded funding for an elementary bass. We also thank Music & Arts for their support and WCF, Music Drives Us, and the Classics for Kids Foundation for their generous grants in years past to *Friends of Watertown Music*.
